

Effective July 1st, Chicopee Electric Light will be transferring all of our credit/debit card processing to a third party. Because of this we will no longer be able to accept credit card payments over the phone at our main office. Customers will now be able to make a payment 24/7 by calling a toll free number (**1-877-371-0327**) or logging on to our website after July 1st to sign up for online services by clicking on the "**Manage Your Account**" button.

As a result of this new service, we will no longer be accepting American Express as a form of payment. Only Visa, MasterCard, Discover, E-Checks and Debit Cards will be accepted. Remember customers always have the option to have their monthly bill deducted from a checking or savings account at your bank or via a credit card account. Automatic withdrawal is always a great way to pay your bills on time and with less effort. If you have any questions regarding this change please call our Customer Service Center at 594-2400.
