

LINEWORKER-Chicopee Electric Light (CEL) is seeking Electrical Lineworkers

A 1st Class Lineworker would need a minimum of four (4) years experience as a lineman in electrical power utility or contracting field and must have successfully completed an industry recognized instructional program. Position will perform construction, maintenance and repairs on overhead and underground high-voltage distribution systems. Will be responsible for working live secondary conductors and equipment, up to 600 volts and work live primary conductors and equipment, up to 13,800 Volts.

A 2nd Class Lineworker would need a minimum of two (2) years practical experience as a lineman and/or certification of completion in a Lineman Training Program.

Applicants must possess a CDL Driver's License and must obtain a Class 1B and 2A MA Hoisting license within (120) days of employment and obtain and maintain security clearance at all CEL service areas. Must be physically able to perform line duties especially climbing wooden poles.

To assist with power restoration, applicant must be available for after-hours emergency response and must live within a reasonable proximity of Chicopee, MA as defined by Union Contract or be willing to relocate to meet CEL's residency requirement.

Applicants should send their resume directly to CEL, Attention Human Resources at 725 Front St., Chicopee, MA 01020 or e-mail ncolberg@celd.com.
